

CFSA INSURANCE ALERT

TO: ALL FAIRS

FROM: Mario Castagnola, Risk Analyst
Risk Management Department

SUBJECT: **Approved Master Insurance Certificate List**

DATE: **February 11, 2020**

Enclosed is an updated listing of vendors/contractors seeking to do business with State supported fairs who have approved master certificates on file at CFSA for various events or activities (**including hazardous**) that require outside commercial insurance coverage.

Please note that the carnival operators are now included as the last section of the Master Insurance List. A few of the carnival operators listed are **“approved for interim events only”**. This means they only have \$2,000,000 in General Liability limits. All other carnival operators have \$5,000,000 per occurrence General Liability limits as required per CFSA’s Insurance Requirements. The Carnival Master List meets CFSA’s Insurance requirements.

A master insurance certificate establishes a contractor’s proof of liability insurance for every new contract within a one year period. CFSA recommends that fairs encourage contractors to obtain master insurance certificates whenever possible. All master certificates (**including hazardous**) will be kept on file at CFSA, and we are now responsible for updating and distributing the “Master Insurance Certificate List” for all activities. When a contractor has a master certificate on file with CFSA---and the contract requires approval---submit a copy of the approval listing from CFSA as part of the contract package.

Your new combined Master Insurance List is for **February 2020** and includes non-hazardous, hazardous and carnival operators. Also, please note that the addition of asterisks (**CFSA ###**) to the existing CFSA numbers indicates that California Exposition and State Fair has been included as an additional insured on that particular vendor/contractor’s certificate.

In the event a contractor does not appear on the combined Master Insurance List and they feel they have been mistakenly omitted, please call our office at (916) 263-6145 to determine the status of their certificate approval. Otherwise, please follow your normal procedure of obtaining a certificate of insurance from each vendor/contractor not on the list for your files. **Please be sure to check the policy dates to verify coverage during your event including set up and take down days if required.**

IMPORTANT: The Master Insurance List is issued as a matter of information only. CFSA is not responsible for coverages, exclusions, limitations and conditions in the actual insurance contract.
