CALIFORNIA FAIR SERVICES AUTHORITY

SPECIAL EVENTS PROGRAM

MEMORANDUM OF COVERAGE

SECTION 1 INTRODUCTION

The purpose of this Memorandum is to describe the Special Events Program as adopted by the California Fair Services Authority Board of Directors.

The **Program** provides that **Covered Special Event Operators (“Operator”)** shall be covered for certain general liability losses from a segregated risk pooling arrangement as authorized in Government Code Section 6516.5. Pooling of losses in this **Program** is *not insurance and this Memorandum is not an insurance policy*. The sole duty of the **Authority** is to administer the **Program** adopted by the **Authority’s** Board of Directors. Subject to the terms of this Memorandum, there is transfer of risk from the **Operator** to the **Authority**.

By electing to participate in the **Program**, the **Operator** agrees to abide by all terms and conditions of the **Program**, that any actual or alleged ambiguity herein will not be construed against the **Authority** or the **Program** and that because this **Program** is not insurance, legal principles associated with the interpretation of insurance terminology will not be given effect over legal principles used to interpret contracts in general.

The provisions of the **Program** are subject to and subordinated to the **Joint Powers Agreement** or any action taken by the **Authority** Board of Directors in connection with the **Program**. This Program has been adopted pursuant to action taken by the **Authority** Board of Directors, and is subject to any amendment, modification or extension by the **Authority** Board of Directors.

The terms of this Memorandum shall be construed in accordance with the principles of California contract law. If the language of this Memorandum is alleged to be ambiguous or unclear, the issue of how the coverage should apply shall be resolved in a manner most consistent with the relevant terms of this Memorandum without regard to authorship of the language and without any presumption or arbitrary interpretation or construction in favor of either the **Operator** or the **Authority**.

Throughout this Memorandum, including the Cover Page, words and phrases that appear in **bold print** are defined in SECTION 5.

SECTION 2 COVERAGE

The coverage under this Memorandum is secondary to any other type of insurance the **Operator** may have, including any homeowners, business, general liability or any other insurance coverage. Under no circumstances shall the coverage afforded by this **Program** be considered primary, pro rata, concurrent or co-existent with such insurance coverage or other protection. In return for the payment of the premium, upon execution of the CFSA Evidence of Coverage and Acknowledgement Form, and subject to all the terms of this Memorandum of Coverage and the maximum limits of coverage specified herein, we agree with you to provide the **Bodily Injury** and **Property Damage** coverage stated in this Memorandum for liability arising out of an approved, underwritten activity listed in Exhibit A.

- A. The general liability coverage of the **Program** shall include coverage for the Additional Covered Entities and Individuals as specified below.

That the State of California, the California Fair Services Authority, the District Agricultural Association, County Fair, the County in which the County Fair is located, Lessor/Sublessor if fair site is leased/subleased, Citrus Fruit Fair, California Exposition and State Fair, or Entities (public or non-profit) operating California designated agricultural fairs, their directors, officers, agents, servants, and employees are made additional insured; but only as respects liability arising out of operations of the **Operator** at rented or leased fair facilities as specified in the Special Events Coverage Receipt form.

- B. No other obligation or liability to pay sums or perform acts or services is included within the coverage afforded by this **Program** unless explicitly provided for under SECTION 6 DEFENSE AND SETTLEMENT. The amount the **Program** will pay for injuries, **damages** or **Defense Costs** is limited as described in SECTION 3 MAXIMUM AMOUNT OF COVERAGE.

SECTION 3 MAXIMUM AMOUNT OF COVERAGE

- A. The Maximum Amount of Coverage, One Million Dollars (\$1,000,000.00), as shown in the Cover Page and as set forth in the terms and conditions of this SECTION 3, determines the most this **Program** will pay, inclusive of **Defense Costs**, regardless of the number of:

1. **Operators;**
2. Injuries or **damages** sustained or alleged;
3. **Claims** made or **Occurrences;** or
4. Persons or organizations making **Claims**.

- B. The funds available for making payments under this **Program** are accounted for separately from funds of any other program of the **Authority**. Government Code Section 6516.5 provides that the aggregate payments made under this **Program** shall not exceed the amount available in the pool established for this **Program**. In the event that the **Authority** makes a determination that the **Program's** funds are not adequate to pay all covered **Claims** during an **Annual Period**, the **Authority** may take such actions it determines necessary and in the best interests of the **Program**. The **Authority** may prorate the amount payable for any covered **Claim** based on the ratio that each such **Claim** bears to all covered **Claims** multiplied by the total **Program** funds available for that **Annual Period**. The **Authority** may take any reasonable action or actions to effect such proration, including but not limited to the following: (1) pay only a portion of a covered **Claim**, (2) delay payment of a covered **Claim**, (3) set a schedule of payments for a covered **Claim**, or (4) borrow funds from another **Authority** program to pay a covered **Claim** contingent upon the **Program** repaying the loan as additional **Program** revenues are received.
